# Massage Therapy and Physical Therapy Aide

## What You Need To Know

Massage Therapy and Physical Therapy Aides provide physical therapists and physical therapy assistants with non-medical support. They prepare treatment equipment and rooms, assist patients with limited mobility to reach treatment areas, and perform administrative duties. They may be employed at hospitals, clinics, or care facilities.

### On the job, you will:

- Be assisting with patient intake, preparing equipment and treatment areas, and moving mobility-challenged patients to designated locations within our facility.
- Build positive, professional relationships with clients and staff members.
- Pursue significant on-the-job training

## What Do You Need To Succeed In This Role?

### Requirements

- Must be at least 18 years of age
- Exhibit a solid grasp on the daily operations of a physical therapy facility and the ability to work under the supervision of physical therapists.
- Organizational skills and attentive insight contribute to exceptional patient care.
- Basic Life Support (BLS) certification preferred.
- Previous experience in a healthcare environment will be advantageous.
- Proficiency in office software, such as MS Word, Excel, and Outlook Express.
- Exceptional organizational and time management skills.
- Superb interpersonal, communication, and collaboration abilities.
- Keen attention to detail and a caring nature.
- Ability to perform tasks that require physical strength.
